WHITE HOUSE HAS HOPES SENATE WILL OKEY BONUS VETO

Washington, May 14. (INS.)—The action of the Senate in sustaining President Coolidge's veto on the Bursum pension bill encouraged the White House today to believe there is a possibility of the soldiers' bonus-insurance bill also being defeated this session.

Administration supporters, at any rate, regarded the victory over the Bursum bill as "a hopeful sign" and they were urging the President today to speed up action on the bonus bill which has now been on his desk several days.

It is possible that the veto message on the bonus may go to the Capitol today, although it probably will be deferred until tomorrow.

HARRIS DOMESTIC TANGLE GETS INTO A SERIOUS SHAPE

New York, May 14 (INS.)—Mrs. Eleanor Elaine Lee Harris, southern beauty was almost hysterical in jail today, following her arrest on third degree forgery charges preferred by her husband, Beverly D. Harris, former Vice President of the National City Bank.

Separated by only a fifteen foot wall from several prisoners arrested for intoxication, she sat in her cell waiting for word from her attorney who had rushed away after her arrest in efforts to raise $3,000 bail.

When it appeared improbable she could get bail, Mrs. Harris sent four telegrams, one to George Gordon Battle, lawyer and others to friends in the Middlewest and south.

Harris caused her arrest on the forgery charges based on the recent letter she filed as a basis for the new trial in the annulment suit her husband won.

Following a consultation with District Attorney Banton, Harris accompanied by detectives appeared at at the Hotel McAlpine where Mrs. Harris was registered as Mrs. Elizabeth Long, under which name police allege she had reserved accommodations for her departure for St. Louis today.

Mrs. Harris was being interviewed by a newspapaer woman. When her husband and the detectives walked in she cried:

"Beverly, can you do this to me?"

Mrs. Harris was taken to police headquarters in a patrol wagon.

After she had been booked the question of bail was raised and Harris' lawyer, R. W. Alley, declared Banton had requested it be fixed at $5,000.

"We will agree to $3,000 bail," Harris said.

C. C Daniels, a lawyer, who had arranged to meet Mrs. Harris at headquarters, glared at the banker and said:

"There is something sinister behind this arrest. They knew Mrs. Harris could not get $5,000 bail quickly at night."

The letter, which was the basis of the forgery charge, Mrs. Harris alleges was written by Harris to another woman, and she contended it exonerated her from the charges her husband had made in his annullment case. Harris denounced the letter as a forgery and declared he "would leave no step untaken to punish the fraud."

W. H. Stevens, manager of the Shoe Market, is quietly celebrating his birthday today. Everything is rather "dry" about it but the weather.

PRESIDENTIAL VETO TO BE PERSONALLY GIVEN TO CONGRESS

Washington, May 14. (INS.)—President Coolidge plans to go before Congress in person to deliver his message vetoing the soldiers' bonus bill, according to reports current at the Capitol this afternoon.

The President has until midnight Friday to act on the bill.

It was said at the White House that the President's plans were not definite.

OLD TIME RESIDENT CALLED TO HER REWARD

In the death of Mrs. Ella Victoria Irwin Snyder, which occurred at her home on Market street at 4:55 o'clock, Sunday May 11, 1924, Clearfield loses one of her oldest native residents. Mrs. Snyder was not only a member of one of our very oldest pioner families but was one of the first children born within the present corporate limits. She was four years past the four score mark and lived all of that long life right here in Clearfield, where she was revered and respected for her saintly, christian character by all our people.

She was a remarkable woman in many ways, retaining all of her faculties practicallly unimpaired right up until within a few short weeks of her death. Death was due to a gradual general decline and its coming brought with it but little pain or inconvenience while her loved ones had the extreme satisfaction of the realization that her mental powers remained practically unimpaired up until almost the very end. Her end was especially quiet and peaceful and came almost imperceptibly at the end of a week of unconsciousness during which not a trace of pain or distress was noticeable. Truly of Mrs. Snyder it may be said "she wrapped the drapery of her couch about her and lay down to pleasant dreams."

Ella Victoria Irwin was the daughter of Jacob and Priscilla Collins Irwin and was born in Clearfield August 3d 1839. She was one of a family of six children and was the last of her family the four sisters and one brother having preceded her to the grave. They were: Mrs. Catherine Cook of Lexington Neb.; Mrs. Letitia Poland, Lock Haven, Pa.; Mrs. Elizabeth DuGan Lowden, Iowa; Mrs Martha Shaw and Garret G. Irwin, Clearfield, Pa.

She was united in marriage with George W. Snyder on April 25, 1865. He passed away May 6, 1913. Mrs. Snyder was a lifelong member of the Episcopal church and took a great interest in all the activities of her church. She was ever the ideal Christian wife and mother whose constant thought and endeavor was to make this life pleasant and worth living, not alone for her loved ones but for all those who came within the range of her kindly, christian, neighborly ministrations.

She is survived by one son, O. Guy Snyder, of Morehead, Ky.; Mrs. John H. Martin, of Clearfield; Mrs. Charles P. Jacox, of DuBois, and Miss Eva, at home.

The funeral was held from St. Andrews' Episcopal chruch this afternoon at 3 o'clock, Rev. R. A. Hatch assisted by Rev. J. F. John officiating Interment was made in Hillcrest cemetery.

$50,000 LANCASTER FIRE

Lancaster, Pa., May 14. (INS.)—Damage estimated at $50,000 was caused at noon today when fire of undetermined origin destroyed the big warehouse of the Fleck Marshall Co., jobbers, plumbers' supplies.

Mrs. Dale Chaplin and two children left yesterday for Hollywood, Cal., where they will join Mr. Chaplin and make their future home.

Raymond Martin is home from Pittsburgh to attend the funeral of his grandmother, Mrs. Geo. Snyder.

Threats

I consider it a mark of great prudence in a man to abstain from threats or any contemptuous expressions, for neither of these weaken the enemy, but threats make him more cautious, and the other excites his hatred, and a desire to revenge himself.—Machiavelli.

UNDERWOOD, SMITH AND RALSTON WANT ANTI-KLAN PLANK

By GEORGE R. HOLMES
(I. N. S. Staff Correspondent.)

Washington, May 14.—An informal but nevertheless close working agreement exists between the Underwood forces, the Smith forces, and the Ralston forces in the Democratic Presidential fight, whereby they will make a common cause at New York of the insertion of an anti-Ku Klux Klan plank in the Democratic platform for 1924. This was learned today from political sources usually reliable.

It is, in effect, a coalition against Wm. Gibbs McAdoo that may have a significance far outreaching the klan issue by itself. The klan issue has afforded the opponents of McAdoo a common ground on which they can stand at the start of convention and once having found such a common ground it becomes easier to find it on other issues.

By sort of mutual consent, the fight to have the platform declare against the klan will be started and pushed at New York by the Underwood managers. The Smith contingent will support it for the reason that Gov. Smith is a Catholic, and the Ralston people will fall into line because the klan issue is predominant in Indiana and the klan is boasting there that it just nominated a Republican candidate for governor.

Senator Underwood himself is leaving the bulk of the fight against the klan to his managers. He has spoken against the order on several occasions, but in the main he has permitted C. C. Carlin, his campaign diretcor, to do the heavy firing in his name.

Carlin charged today that the klan is busily engaged in packing state delegations for McAdoo. He backed it up by producing a letter purporting to have been issued by the grand dragon, realm of Georgia, stating that it was "Mr. McAdoo's desire that his friends elect Major Cohen," Democratic national committeeman from Georgia, and that if Major Cohen went to New York "the klan's interest will be ably protected."

MORMON CHURCH IS TO BE BUILT AT THE NATIONAL CAPITAL

Washington, May 14 (INS.)—A Mormon church is to be built in Washington, it became known today.

A plot of land at Sixteenth street, one of the most fashionable residence streets of the capital, and Columbia road has been purchased by the National Mormon church from Mrs John B. Henderson, wealthy realty owner.

The sale was made through Parley F. Eccles, Secretary to Senator Smoot of Utah. Plans for the construction of the church and for the purpose of adjoining property will be completed it is understood by Heber J. Grant, President of the Mormon church at Salt Lake City, whose arrival is expected shortly.

INDIANA KLUXER SUES FOR $200,000

Indianapolis, Ind., May 14, (INS.)—Suits against Walter Brossert Imperial representative of the Ku Klux Klan in Indiana; Hiram W. Evans, Imperial Wizard with headquarters at Atlanta and Robert W. Lyons, of Richmond, asking a total of $200,000 damages, were declared here today by D. C. Stephenson, whose attorneys filed them, to be a second step in his efforts to "release the Indiana Klan from domination by Atlanta."

Slander, libel and defamation of character were alleged to have been committed by the defendants in the petitions.

Stephenson charged Brossert with having referred to him as a white slaver. An order by Imperial Wizard Evans in which he is alleged to have charged Stephenson with drunkenness and ordered his suspension and trial, was made a part of the petition.

Stephenson recently was elected Grand Dragon by the Indiana Klan.

Robert Kennard and Bernard Nollen, of Philipsburg, attended the funeral of Charles Blythe yesterday.

Miss Isabel Powell Is Elected President Of The Clearfield Women's Club

The regular monthly meeting of the Women's club was held last evening at the home of Mrs. T. L. Snyder on Front street.

The following officers for the coming year were elected:

Miss Isabel Powell, Pres.
Mrs. H. J. Flegal, First Vice Pres.
Mrs. Emmott Harder, 2nd Vic Pres
Mrs. S. L. Warner, 3rd Vice Pres.
Mrs. Geo. Reed, Rec. Secy.
Mrs. Scott McKelvey, Cor. Secy.
Mrs. Clair Davis, Treas.

The people of Clearfield in general and the girls in particular, will be glad to know thatthe Club is arranging for a girl's night as an event of the near future. An interesting feature will be a big parade in which we hope every girl over ten years of age will march. Details will be announced later.

The last business meeting of the year will be held at the home of the retiring President, Mrs. Charles T. Kurtz, on the evening of June 10th.

The Club was very glad to accept the invitation of Mrs. A. E. Leitzinger to hold their annual picnic at the Leitzinger Bungalow on Tuesday, June 24th.

At the close of the business meeting, Mrs. H. F. Wallace read a very interesting and instructive paper on "The Early History of Clearfield County."

BILLY SUNDAY ON WAY TO ROCHESTER FOR OBSERVATION

Champaign, Ills., May 14. (INS.)—The Rev. Billy Sunday was sleeping when his special car attached to the Illinois Central Panama limited, passed through here early today. Dr. R. L. Sanders, his personal physician who is accompanying the noted evangelist from Memphis to Rochester, Minn., said Mr. Sunday had slept fairly well from 11:30 to 3:30 and from then on had slept soundly.

His condition was described as satisfactory and Dr. Sanders repeated there was no immediate danger. He said Mr. Sunday's temperature was normal.

Sunday will undergo treatment by the Mayo brothers at Rochester for the kidney ailment which caused his collapse at Memphis, where he was conducting a revival.

KAISER'S WIFE IS ON GERMAN VISIT; BILL KEEPS HOUSE

Griez, Germny, May 14. (INS.)—Princess Hermine wife of the ex-Kaiser, arrived here alone today to visit relatives.

"My husband has no plans to join me in Germany," Princess Hermine told International News Service. "He is longing to return to the fatherland, but thinks there is no chance to do so. I think likewise."

Griez is the capital of the principality of Reuss, the family of which Hermine is a member.

A report was printed in the United States yesterday that the former Kaiser was returning to Germany. It was credited to the radio broadcasting station at Nauen, Germany.

Mrs. J. L. Johnson, Mrs. Elmer Warner, and Misses Celestia Bonner, Stella Anstead and Mrs. DeSales Leitzinger attended the ball at DuBois last evening.

BOY RESCUED FROM RIVER

A young son of Valentine Stuby, of Weaver street, fell into the river yesterday off the wall along the High School grounds at the Market street bridge. He was yanked out and saved from a watery grave by the prompt and heroic efforts of Winfield McClure, a High School student.

MAHAFFEY WOMAN, AGED 80, BURNED TO DEATH IN HOME

House Caught Fire from Early Kindled Fire and Others Had a Narrow Escape from Death.

DAUGHTER BURNED

Mahaffey, May 13.—Mrs. Mary Freedline, aged 80, was burned to death and her daughter, Mrs. Blair Shultz, sustained an injury to her hip when the Shultz home was destroyed by fire early this morning.

Merrit Shultz, eldest son of Mr. and Mrs. Blair Shultz, arose to leave for work at 4 o'clock and built a fire in the stove. The rest of the family arose later and when they came down stairs for breakfast found the lower portion of the home in flames. Mrs. Shultz immediately went back upstairs to assist her aged mother from the house while Mr. Shultz started to fight the flames. Dandale, little son of Mr. and Mrs. Shultz, followed his mother back upstairs. When they reached the second landing Mrs. Shultz discovered she could not get back downstairs and dropped the child uninjured from the window. She tried to save her mother, but could do nothing, and in order to save her own life jumped from the window and sustained the injury to her hip.

She was hurried to the Adrian hospital. where she is under the care of physicians.

County Commissioner Blake W. Mc Cracken, whose home is in Mahaffey and who was at the fire yesterday morning, informs us that the entire Shultz family had a very narrow escape from being burned to death.

When the son arose in the morning and lit the kitchen fire at 4 o'clock he expected to go to Curwensville to work. After lighting the fire he took the coal bucket and went to get a bucket of coal. He was absent from the house possibly five or more minutes and when he opened the door into the kitchen upon his return he found the room almost a mass of flame. He rushed through the heat and smoke to the stairway with difficulty and gaining the second floor wakened his brother. The two young men then dashed into the room of Grandmother Freedline and after wakening her ran into the room of their parents. There were also two younger children asleep in an adjoining room.

By this time the fire had reached such a stage that escape by the one stairway to the kitchen was impossible and the boys and their father jumped from the second floor window to the ground. Mrs. Shultz then seized the two children and dropped them in turn out of the window into the waiting arms of the father and they escaped injury.

She endeavored to do the same thing for her mother but the old lady became panic stricken and not only refused to jump from the window but resisted all the efforts of her daughter to shove her out of the window. Mrs. Shultz struggled with her mother until the old lady broke away and with the rapidly advancing flames scorching her flesh she threw herself from the window.

The husband and sons were unable to catch her and she alighted heavily on the ground, suffering a fractured pelvis and other serious injuries in the fall.

Mrs. Fredline was engulfed by a burst of flame as her daughter hurtled from the window and her charred remains were found in the ashes of the burned home.

"POP" WILSON BIRTHDAY

"Pop" Wilson ,the genial H. & C Telephone Company Superintendent is celebrating his birthday today Just what number it is "Pop" refuses to inform us. He is bearing up well under the added strain of another milestone reached and may be induced to "say something" later on in the evening. As Dr. Munyon once remarked "there is hope."

Maurice Wrigley, who has been a patient in the Clearfield hospital, was removed to his home today.

TOY WHISTLE IN THROAT IS FATAL TO DUBOIS CHILD

A tragedy occurred on Hill street, DuBois, on Sunday evening, when Joseph Chirn, a four-months-old son of Mr. and Mrs. Paul Chirn, died as the result of having a tin whistle caught in its throat.

The whistle was a toy that had been given to a brother two years older by some of his playmates. He innocently carried it into the house and gave it to the infant, which innocently and promptly placed it in its mouth and swallowed it. The whistle caught in its throat and was not discovered for some moments, when the child was noticed to be in a strangling condition. Home efforts were made to clear the child's throat and later a physician was summoned and succeeded in removing the obstacle two hours after it had been swallowed. The child had bled profusely and, combined with the lengthy blocking of the air chambers, was so weak when the obstacle was removed that it passed away.

Efficient Secretary Of Medical Society Is Given A Fine Watch

The Clearfield County Medical Society met at the Hotel Philips, Philipsburg, Friday May 9, as the guests of the physicians of Philipsburg and vicinity.

After an excellent dinner all repaired to the seventh floor, where President Jones called the scientific meeting to order and introduced Dr. Edmund B. Pifer, chief of obstetric clinics, University of Pennsylvania, who gave a most instructive and up to the minute talk on "Septicemia, Treatment by Intravenous Medication."

Dr. A. C. Morgan, professor of therapeutics at Temple University, Philadelphia, spoke entertainingly and most instructively on "Applied Therapeutics."

These were two of the most wonderful lectures to which the society has had the privilege of listening for many months and the 56 physicians present were well repaid for the time spent in attending the meeting. A vote of thanks was tendered the distinguished speakers for their addresses and to the men of Philipsburg and vicinity for their having made such a splendid program possible.

Dr. Andrews of Philipsburg and Dr. Blair of Curwensville, who had been appointed respectively as committees of "Safety" and "Resolutions," then reported and in humorous and timely speeches presented a watch of exquisite beauty to Dr. J. M. Quigley, who is now serving his eleventh year as secretary of the society, as a tribute from the members of the society in appreciation of the work he has done for the society.

Dr. Quigley received the gift with an appropriate speech, saying that the success of the society during the past eleven years was the result not alone of his work but of the co-operation and loyalty of every individual member which had been his pleasure to have unstintedly and expressed the hope that for many years to come this spirit of co-operation and loyalty to the society and to each other might continue to prevail.

POLICE GIVE EAST END COUPLE TEN DAYS TO VAMOOSE

Mrs. Pearl Viard and her husband who have been keeping the neighborhood of their home, on the upper end of Daisy street, in more or less of a turmoil for some time, have at last felt the urge to "move on" and get out of Clearfield for Clearfield's good. It might be necessary to add in passing that this pair passed through similar circumstances several years ago, at which time they took up their residence at Curwensville, only to be notified by the authorities there their room was preferable to their company any time. Upon leaving Curwensville the couple again inflicted themselves on this community.

Their actions have been such that the police have had them under surveillance for some time. A few weeks ago Bill Proud, of Curwensville, a frequent caller there, was nabbed by Chief McMullen at the door of the Viard home loaded with four pints of moonshine, on the outside alone [illegible] was sent up for possessing the liquor.

Last week a traveling salesman dropped into town and ran across Mrs. Viard on the street. When he took account of stock the next morning he was shy a gold watch and chain in addition to his self-respect, if he had any. Before leaving town he hunted up Chief McMullen, told him of his loss and when he told him who he had been with the Chief went to the Viard home and Mrs. Viard produced the watch on demand. She said the salesman had given her the watch to keep and until the salesman gets back to town that story will have to be accepted.

Sunday night Chief McMullen was called to the neighborhood of the Viard home and entering the house he alleges he found the woman [illegible] drunk and confiscated a half gallon jug of moonshine in the house. The Viards were then given ten days in which to shake the dust of Clearfield from their trilbys and if found within the confines of Clearfield county after the expiration of that period of time will be promptly arrested and jailed.

PRESIDENT AGAIN SEEKS TO SOFTEN BLOW TO JAP PRIDE

Washington, May 14 (INS.)—A final eleventh hour attempt to compelCongress to back-track on its action in setting Japanese Exclusion for July first next was made today by President Coolidge and Secretary of State Hughes.

The President summoned to the White House, representative Longworth, Republican leader; Representative Garrett, the Democratic leader; Representative Gardner Dem., of Tenn., Rep. Snell, of New York, Chairman of the Rules Committee and Chairman Albert Johnson, of the House Immigration committee for a General Conference with Secretary Hughes and himself, at which the international gravity of the pending exclusion clause wasfully gone into by Hughes.

A sensational report was current this afternoon that President Coolidge planned to deliver a special message to Congress in person, asking that the exclusion provision be amended so as not to offend Japan.

This could not be confirmed from any of thoes attending the White House conference, however.

TRINITY CHURCH NOTES

Mother's Day was very appropriately observed at Trinity on Sunday. The Sunday School at 9:30 was full of interest and the attendance record showed an attendance of 501. The music by the large orchestra under the efficient leadership of Prof. Martin was full of inspiration. Supt. Tobias appointed the following committee to ararngo for Children's Day to be observed on the second Sunday of June. Committee: Isabelle Powell, Ruth Williamson, Josephine McMurry, Bertha Stage, Hannah Weisgarber, and Prof. Martin.

The 10:45 Church Service was given over to the observance of Mother's Day. Dr. Bell took as the basis of his address "Behold Thy Mother." He paid a beautiful and forceful tribute of respect to our best friend, Mother. A little girl once asked her Mama, "Mama do you love me?" "Yes, my dear why do you ask me?" "Just because it sounds good to hear you tell me" the little girl replied. Dr. Bell urged the hearers to likewise tell our mothers how much we love them and how much they mean to us as the grandest tribute we could pay them and thus make the hearts of Mothers joyous and glad. Mrs. Ethel Boyce Davis sang a beautiful solo and Mr. Kenneth Thorn most feelingly sang "My Mother's Beautiful Hands" while the large male chorus assisted him

Prayer Service Wednesday night at 7:30 o'clock. While Dr. Bell is here there is a friendly contest on between Trinity and the Pine Street Church of Williamsport and the First Church of York to see which one will have the largest attendane at the Mid-Week Prayer Service. May Trinity register the highest and you can make it so by attending and bringing another with you.

DESPONDENT FARMER OF JEFFERSON CO. COMMITS SUICIDE

Punxsutawney, Pa., May 13.—Harry Oswald, aged 55, one of the most highly respected farmers of Henderson township, took his life this morning at his home near Big Run by discharging the contents of a single-barreled shotgun into his chest just at the base of the heart, dying instantly. Ill health is given as the cause of the act.

Mr. Oswald arose at the usual hour this morning and ate breakfast. Mrs. Oswald left the house to do the milking; his daughter Ruth was still in bed and his son John had gone to Big Run. Mrs. Oswald and Ruth were startled by the report of a gun about 7:35 and rushed to the breakfast room where they found Mr. Oswald's body with a hole in his chest, lifeless. Dr. W. C. Newcome was called, but there was nothing to be done.

Mr. Oswald had been suffering with Bright's disease and palsy and had been in poor health for a number of years. He had become despondent and was heard to remark recently that his case was hopeless and that he might as well kill himself.

The deceased had resided in the vicinity of Big Run practically all his life with the exception of 10 years spent in Old Virginia, where he was married. He had been a successful farmer until ill health compelled him to retire. He was held in the highest esteem by the hundreds of friends he had made in the vicinity of Big Run.

He is survived by his mother, Mrs John Oswald, of Big Run, aged 89; his widow and the following sons and daughters: John and Ruth, at home; Lynn, of Smethport, Pa., and Mrs. Laura London of Kramer. The following brothers and sisters also survive: Mrs. Jacob Smith and Mrs. Adam E. Smith, of Route 2, Punxsutawney; Mrs. James Knarr, of DuBois; Mrs. Mary Bock, of Clearfield; Mrs. L. E. Shaffer, of Big Run and William Oswald, of Luthersburg.

HAVE YOUR BABY WEIGHED.... AND MEASURED TOMORROW

Last Thursday it rained in torrents, bringing disappointment to the hearts of mothers who had planned to attend the Baby Clinic at Red Cross Headquarters, as well as to the nurses and nursing Committee, who were there to receive them. Better luck this week in the hope of a sunshiny day for the babies.

Speaking of healthy babies, aren't there many times when an inexperienced mother, yes, and some of us who have had much experience, feel that there is some little symptom, an indefinable beginning of trouble, that we would like to question someone about? Bring that baby to the Red Cross Rooms tomorrow. Have it weighed and measured, to assure you that it is growing properly and normally. If there is anything wrong, the physician in attendance at the clinic will diagno[illegible] for you or answer any [illegible] free of charge.

Failure of babies and [illegible] gain in weight is always a [illegible] signal. The baby should gain at a certain rate each month. The nurse in charge will give you instructions on this important point of keeping careful check by regular weighing.

The Beauty of CROMAR Floors is more than surface deep

The beautiful grain and color of oak, subdued in its natural state, is brought to the surface and revealed only after passing through many finishing operations.

Have you ever witnessed the installation of an ordinary hardwood floor? Perhaps you have been inconvenienced by the scraping, sand papering, filling, varnishing, waxing and polishing—a series of labors extending over days and days and days.

The CROMAR method is different from this. CROMAR Oak Flooring comes to your home completely finished like fine furniture, ready to use the minute it is laid. Patented machines perform the several operations more thoroughly, more uniformly and at less cost.

Two good carpenters can floor a room a day. And cost will be no more than that of a rug. Certain lumber dealers in your town can show you sample floors and quote prices. Write for their names; also booklets and sample.

ODDS AND ENDS AND THINGS

By J. D. C.

Up to yesterday morning a little more than four and one-half inches of rain had fallen in Clearfield for the first 12 days of May. The general average for the entire month of May is 4.59 inches.

Automobile fatalities have risen to the first place as the cause of accidental death in the United States. Last year 15,700 were killed, an increase of almost 2,000 over 1922. The estimates are based upon statistics of 135 cities, with an aggregate popula[illegible] of more than 30,000,000. It may possible that placing every kind of man in charge of a death-dealing instrument as powerful as a locomotive will bring its dangers, and it is the duty of the state to inquire into this and adjust its laws to the changed condition.

Of all the states in the Union, Pennsylvania has more stay-at-home voters than any other. A careful analysis by a Washington expert shows that while 26,000,000 voters went to the polls in the country at the last presidential election, 25,000,000 voters remained at home. Throughout the country half the people do not vote.

While Kentucky sent 76 of every 100 voters to the polls; Delaware 67 and Indiana 65, in Pennsylvania for every 100 persons who went to the polls, 133 remained away. Pennsylvania's interest in elections is lower than in some of the southern states which are frequently cited to show that large groups of persons are not permitted to vote.

The most popular interest in elections seems reflected in such states as Minnesota, Iowa, Missouri, the Dakotas, Nebraska and Kansas where the average is 59 stay-at-homes per 100 as compared with 82 per 100 in the New England g[illegible]n and the 133 in Pennsylvania wh[illegible] leads the list by being at the bot[illegible].

Pennsylvanians to the number of 1,851,248 voted for President last time and Pennsylvanians to the number of 2,479,000 did not vote at all.

Every morning for some r[illegible] sixteen days Boy Scouts from Boar[illegible] come down to Clearfield in a tr[illegible] charge of James Williamson of Boardman, and proceeding to the Kerr Addition, located in Lawrence township across the river from the New York Central yards, take up the work of planting trees in and about that plot of lots. They are putting out the trees for Fred B. Kerr, who is having 50,000 young trees set out in the Kerr addition and the farm property adjoining.

A gain of 680,000 church members in 1923 in the United States is recorded in the statistics compiled by the Christian Herald.

The churches have 45,457,336 communicants, a gain of 2,733 and 237,404 houses of worship, a gain of 2,884.

The largest Christian denomination is the Roman Catholic, with 15,750,260 members, an increase of 138,616.

There are 8,622,836 Methodist communicants in sixteen bodies and a gain of 87,683.

The twenty-three bodies of Baptists gained 192,520, bringing the total to 8,237,021.

There are 2,465,841 Lutherans and an increase of 22,825; 2,462,557 Presbyterians, a gain of 61,290; 1,140,076 Episcopalians an increase of 10,463 and 1,621,303 Disciples of Christ, a gain of 68,490.

There are also increases in the Reformed United Brethern in Christ, Latter Day Saints, and Evangelical Churches.

The Friends report a decrease of nearly 2,000. The Menonites also report a decrease of 2,393.

The Salvation Army reports an increase of 6,267 members with a total membership of 58,558.

The Church of the Narzrene reports an increase of 2,779 with a total of 50,721.

Higher Education Is Recommended For New Methodist Ministers

Springfield, Mass., May 14. (INS.)—Bishop Edwin Hughes of the New England area today recommended to the Methodist General Conference the adoption of a comprehensive and modern curriculum for the course of study for the ministry. The report was submitted to the conference by Bishop Hughes as chairman of the special commision which has made a study of the problem for eight years.

The plan does not meet the approval of the ultra-conservative element in the conference, but it is intended to meet the present day needs for a broader education for those ministers who are obliged to depend upon methods of self education. In actual practice the plan contemplates the adoption of Methodists in use in correspondence schools.

The commission finds that only 20 per cent of the Methodist clergy have both college and seminary training: 18 per cent have not completed high schools and one-third have an eighth grade education or less. The proposed changes in the conference course of study are designed to aid those ministers who are obliged to get their education while preaching.

Roofing Economy

IT pays in both dollars and safety to put on a good roof when you are building or re-roofing. A good roof will outlast several cheap ones, will give you greater protection from weather and flying sparks and cost you less in the long run.

Johns-Manville Roofing is built to render service; it is dependable and durable. The many years that much of this roofing has been protecting buildings is evidence of this fact. There is a Johns-Manville Roofing for every kind of building; let us advise you about the type to use.

$1,000 *for a Slogan*

WANTED a slogan for ICE CREAM

—to typify its purity and food value

Can you think of a slogan, not more than six (6) words, easily said and remembered, to express the purity, goodness and food value of ICE CREAM; a phrase that conveys its year 'round appeal as a delicious delicacy as well as a nutritious, healthful food.

The National Association of Ice Cream Manufacturers will give $1,000.00 in cash to the person who submits the best slogan.

Read the rules of the contest carefully and ACT IMMEDIATELY! The $1,000.00 prize may be yours in return for very little time or effort expended.

WHO IS GIVING THE PRIZE?

The National Association of Ice Cream Manufacturers is composed of nearly 3,000 members whose plants are located in all parts of the United States and Canada, and whose purpose is to foster and maintain the highest standards of quality and purity in the making of ICE CREAM.

Today this important industry represents an investment of over $250,000,000 with an annual production of over 300,000,00 gallons. In your own community, there are makers who supply you with rich, pure, wholesome ice cream. Surely they merit your confidence and your patronage.

RULES OF CONTEST

Contest is open to every man, woman and child in the United States and Canada.

Contestants may submit as many slogans as they wish, but each must be clearly written in ink (or typed) on separate sheets of paper. Each sheet must contain contestant's name and address.

No slogan can be longer than six (6) words.

A letter, not longer than 25 words, must accompany each slogan submitted, explaining its use and application.

This explanation will be considered a part of the slogan by the judges in determining the winner.

Contest closes May 31, 1924. Slogans received postmarked later than May 31, 1924, will be declared void.

Prize will be awarded by competent judges; in case two or more contestants submit the winning slogan, the full amount of the prize will be given to e[illegible]h.

BANKS HELP HOME BUILDERS

A creditable increase in business which included an extraordinary augmenting of assistance to home buyers is reflected in the statement of consolidated resources and liabilities of all state banks, trust companies, savings institutions and private banks made public today by Secretary of Banking P. C. Cameron. The statement comprises business done from April 3, 1923, to March 31, 1924.

The increase in resources and liabilities during that period was $192,739,122. The total at the end of March 31, 1924, was $2,693,103.766.41.

Trust companies showed the most remarkable boost in business with resources of $1,857,605,312.07, an increase of $143,005,773.62. Banks were $459,037,625.48 or a raise of $30,203,803.30. Private banks showed a decrease of $297,968.01.

Deposits totalled $2,068,187,946.78, an increase of $141,749,822.26, proportionate with a 442,221 increase in the number of depositors, which numbered 4,749,519 at the end of March.

That greater assistance is being given home buyers is apparent in the $83,123,289.95 increase in investments in loans on mortgages and judgments.

PENNSY-GRAMS

Pittsburgh, Pa., May 14. (INS.)—Walter Hufter, 29, a negro window cleaner, was instantly killed here today when he lost his balance and fell four stories to his death. Hufter had just removed his safety belt when he slipped, according to the police report.

Pittsburgh, Pa., May 14. (INS.)—City and county detectives have spread a wide dragnet for the man who is alleged to have abducted Elberta Sarver, 21, from her home at West View near here on Monday and held her captive for 36 hours.

The girl escaped early today and returned home. She was hysterical and unable to relate a coherent story of the kidnapping. Her mother charges a former suitor was the abductor, and the man's arrest is expected this afternoon.

LEACH—CALDWELL

A quiet home wedding was solemnized at the home of Mr. and Mrs. Walter H Leach of Grampian, on May 11, when Rev. Sigworth united in marriage with the beautiful ring ceremony their second son Harry M., and Miss Bessie Caldwell, youngest daughter of Mr. and Mrs. H. E. Caldwell of Clearfield. They were attended by Lewis B[illegible] and Miss Ruth Leach, sister of the groom.

The bride is a graduate of Clearfield High School and has been one of Clearfield county's most efficient teachers, while the groom is one of [illegible] rising young men.

The couple will reside near Grampian, where they have an already furnished house awaiting them. Their many friends join in wishing them [illegible] and happiness.

EXPECT HOP-OFF FOR FLIGHT'S LONG JUMP

Seattle, Wash, May 14 (INS.)—Word was expected momentarily at the Bremerton Naval Radio station today of the trans-Pacific hop off of the American round-the-world fliers now at Attu, extreme western tip of the Aleutian Peninsula.

It was considered possible that news of severe storms on the Japanese side might delay the jump planned for today.

According to reports received at Bremerton the three planes at Attu are all ready for the 878 mile jump—one of the longest of the world flight.

Major Frederick L. Martin and Sergeant Harvey, of the ill-fated flagplane Seattlewere on board the Catherine D., today enroute to the States, according to wireless messages received by the owners of the vessel at Bellingham, where the vessel is due May 20.

Tokio, May 14. (INS.)—Storms of increasing severity which are centering about Paramushiru Island in the Japanese Kuriles where the three American round-the-world fliers are expected hourly, are causing some anxiety here.

A sudden gale washing over the Hokushun Maru, guide ship to the American destroyers Pope and Ford, which are awaiting the fliers, drowned nine sailors and the captain.

WHOLE FAMILY ARE HELD

Paterson, N. J., May 14. (INS.)—The mutilated body of Mrs. Marie Safferage was found this afternoon in her one room shack in West Paterson. The head had been almost sev[illegible] and the body had been cut and hacked in a score of places.

Police detained five men, inluding the victim's husband, three nephews and a friend.

Progress Editorials for Women

REMEDIES THAT DON'T CURE

By FLORENCE DAVIES

Once again the club women of the country are going to clean up the movies.

Goodness knows some of them need a little fumigating, but I honestly wonder if passing a law is the way to do it.

Women do love to pass laws.

You never went into a woman's club or a Y. M. C. A. in your life that you didn't find a lot of rules. The minute something goes wrong, the women say, "Now we'll make a rule." Men are more apt to realize that public opinion and expediency take care of a lot of things and that conditions are pretty apt to adjust themselves to the demands of the many in the end.

But making a rule or passing a law seems the easiest way.

With a stroke of the pen we get the thing all done, the women say, not realizing that laws and rules don't change the innate nature of things.

Now about the movies, the club women look at them and see that some are bad. They are perfectly right when they take the stand that America must protect its young people from the base and the vulgar in so far as possible. We wouldn't put cesspools on the street for people to walk into; why then should we put unlovely images and thoughts and suggestions on the screen?

But what's the remedy?

Americn club women, with all the best intentions in the world, are a little too apt to provide a remedy without first thoroughly understanding the situation. How many of the club women who are in favor of cleaning up the movies with one wave of the hand by a national censorship, actually know from personal investigation and expert knowledge just exactly how the censorship bill works?

It's so easy to sit in one's living room and visualize some all-wise person who majestically rules out the bad and leaves the good.

"Why," says the club woman, "If I don't want seeds in the orange juice I strain the orange juice. We'll just pass the movies through a sieve, not for a state, but for the whole country. Then the good will go through the screen and the bad will stay out."

But where are these all-knowing, all-wise persons who are suited to judge? What if the movie censor, like the prohibition agent (in some rare cases, whisper it only) would "listen to reason", of the kind which is placed in the open palm.

But that is not all. The moving picture however good or bad is a form of art, and art can't be guided or controlled from the top. It has to grow from the bottom.

Already we have laws to protect us from the broadly lascivious or indecent. Aside from that, art is bound to be free to grow, and the public to choose.

The women indeed have a big job on their hands. But it's a far bigger job than passing a law. It's the job of teaching people to choose, of creating public opinion, of backing the right kind of movies and making them popular. Even the club women of America can't beat the law of supply and demand. They have only one hope, and that is to increase the demand for the good.

K. OF C. DELEGATES VISIT CLEARFIELD

A delegation of about 250 of the delegates and visitors to the State Convention of the Knights of Columbus, in session this week at DuBois, motored over to Clearfield yesterday afternoon and were given a luncheon at the Dimeling Hotel by the local council Catholic Daughters of America.

The visitors were loud in their praises of the scenic beauty along the State road between Clearfield and DuBois and were especially impressed with the beauty and uptodate appearance of our pretty little town

No Wonder Portland Cement Stucco Endures

No wonder it is unaffected by weather conditions—that rain only makes it harder. For Portland Cement Stucco in all essentials is Concrete. And you know how well Concrete serves in foundations, in homes, in hospitals, in mighty dams, in roads and skyscrapers.

Be sure, therefore, that you always specify stucco by the full name, *Portland Cement* Stucco, and get the enduring strength which that tenacious binder, Portland Cement, assures.

Architects will tell you that Portland Cement Stucco assures a home of distinction and beauty. No other exterior treatment offers such a variety of color and texture. It harmonizes perfectly with any landscape setting.

And the ideal backing for Portland Cement Stucco is Concrete Masonry—Concrete Block or Tile.

DON'T BEAT YOUR RUGS

Beating a rug may remove some of the dirt, but not all of it. Nor will it remove the grease, grime and stains nor will it restore the color. Clubbing a rug will break the fibre and do considerable damage. Send your rugs to the High Standard Laundry of Philipsburg and have them shampooed.

Every particle of dirt is removed by this process and the color restored like new. We clean any rug that comes from the loom from the $1,000 Oriental to the $10 fibre.

We use no mechanical beaters or clubs in our process of cleaning. The old rug looks like new whether it is a silk or a cotton.

You wouldn't try to clean a $100 party dress by beating it in a machine or with a club, so why try to clean a good rug that way? A telephone call or a postal brings our trucks. All rugs re-sized free of charge. It costs little more to shampoo a rug than to beat it. High Standard Laundry, Philipsburg. H. & C. 30W. Adv.

John Leitzinger, Jr., Harris Breth, Timothy Minahan, Al Raymond are among those attending the K. of C. convention at DuBois.

Mr. and Mrs. Roy Confer and sons Lee and Dick, and DeLaune Confer motored to Brookville Sunday and brought back their father John Confer who had been visiting relatives for some time in Clarion county.

Mrs. J. M. Kienzle and daughter Katherine, of Tyrone, Miss Ruth Hayward, of Altoona, spent Sunday with Mr. and Mrs. Frank Souders.

MAIN CIRCUS COMING

Will Bring As One Of Its Specially Engaged Attractions A Famous Australian Family Making Their First American Tour

Producing Circus Acts Entirley New To This Country

A family of eleven, known as the Colleano Circus Stars in their native country of Australia, where the family name has been prominently identified with the circus for many years, recently arrived in New York direct from the London, England, Coliseum, where they have been a feature of the performance during the past year. The entire family was trained in the Cholleano circus, an Australian institution of long standing. Each is an expert performer in from two to a dozen acts that constitute an Australian circus program. This famous family of artists came to America under contract with Manager Downie to appear as a feature on the program of the Walter L. Main Circus for the season of 1924. They will present a series of their most difficult sensational acts, using special equipment and costumes for each act,same as were used in the London Coliseum engagement.

The Walter L. Main Circus will give its grand free street parade and two performances in Clearfield Wednesday May 21, and the Colleano Family will appear at each performance.

The circus will arrive from Phillipsburg early Wednesday morning, will be unloaded on arrival, and the city of tents will be up and all animals, horses, wagons and equipment in their respective tents early in the day. Three hundred and fifty people are fed in the Walter L. Main circus cook tent at each meal. There are many interesting sights for the curiosity seeker on the circus grounds and the public is invited to feast their eyes while the show is being located on the lot and preparations made for parade.

The big free street parade on day of show and the popular prices of admission, viz., 60 cents for adults and 30 cents for children under 12, are two important features the public is requested to remember.

Mr. and Mrs. Glen Humphrey, of DuBois, attended the K. of C. luncheon at the Dimeling yesterday.

Back Lame and Achy?

The Advice of This Clearfield Resident Should Help You to Get Well.

Do you suffer nagging backache?
Feel dizzy, nervous and depressed?
Are the kidney secretions irregular; breaking your rest?
Likely your kidneys are at fault.
Weak kidneys give warning. You have backache; rheumatic twinges.
You feel weak, tired, all worn-out.
Heed the warning. Don't delay!
Use Doan's Pills—a stimulant diuretic to the kidneys.
Your neighbors recommend Doan's.
Here is a Clearfield case.

Jas. R. Schnars, carpenter, R. F. D. No. 5, says: "I caught cold in my kidneys and a heavy ache in my back caused lots of trouble. When I stooped, a sharp kink caught me and it was hard to straighten. Sometimes my back was lame and stiff in the morning. My kidneys acted too frequently and I had to get up nights. Doan's Pills from Woodward & McPherson's Drug Store cured the backache and I haven't been troubled since."

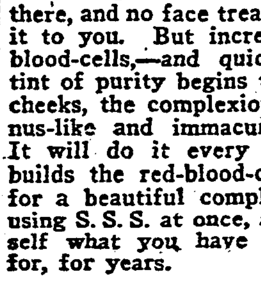
Pimples

BLOOD impurities are pumped by the heart into the face. That is what causes that grainy appearance, that muddiness, sallowness, pimples, blackheads, acne, red spots, and that impossible "something" which no face cream, massage, or face powder can cover up or beautify! The foundation for a beautiful skin simply is not there, and no face treatment can give it to you. But increase your red-blood-cells,—and quickly the ruby tint of purity begins to glow in the cheeks, the complexion becomes venus-like and immaculate! Try it. It will do it every time. S. S. S. builds the red-blood-cells you need for a beautiful complexion. Begin using S. S. S. at once, and give yourself what you have been working for, for years.



S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

Drink Milk When You're Hungry

Milk is essentially a food and will satisfy hunger just as much as the heaviest meal one might eat. In milk, especially our rich, pure milk, there is every food need required to sustain your body.

There are animal fats which supply the energy which your body requires to withstand the strain of the daily grind; there is sugar which furnishes the necessary heat to aid your body to maintain its proper balance between high and low speed; there are minerals, each with a special work to do in the building up of brain and bone; then there are those elusive "vitamines" which your physician tells you so much about and which contribute their share to bringing your bodily health to the height of perfection.

Drink At Least A Quart Of Our Milk Every Day And You'll Feel Better.

HON. HARRY B. SCOTT IS NEW LEAGUE HEAD

The Clearfield and Centre Baseball league, which embraces the towns of Philipsburg, Osceola, Clearfield and DuBois, was permanently organized at a meeting held at Philipsburg last evening. Two delegates representing each of the towns named, attended the meeting.

The following officers were elected to guide the destinies of the new organization. They are as follows:

President, Hon. Harry B. Scott of Philipsburg; Vice President, A. P. Way, of DuBois; Secretary-Treasurer, Harold Griest, of Philipsburg.

A schedule was arranged for covering the league season which extends from May 30th to September 1st. The schedule will give Clearfield seven Saturday games, seven Thursday games, one on a Tuesday and games on July 4th and Labor Day. The schedule is being prepared and when ready will be published in the Progress.

Clearfield was represented at the meeting by J. Mitchell Chase, Esq., and Isaac H. Robinson.

Why Not Enjoy Health ?

Bethlehem (W. S.), Pa.—"After an attack of typhoid fever I was in a weak, nervous condition. I was reduced in flesh to 120 lbs. I had no appetite nor could I retain on my stomach the food I did eat. My rest at night was broken by nervous dreams and in the morning I felt too weary to do anything. I was advised to try Dr. Pierce's Golden Medical Discovery which had the reputation of cleansing the blood and driving impurities from the body. I found all this to be true in my case for I soon began to mend. I gained in flesh, lost all the tired feeling I had and could enjoy a good night's rest. Three bottles of the 'Discovery' did this for me and I am glad to recommend it as a fine tonic."—Mrs. John T. Price, 545 Spring St.

Correct your stomach and improve your health with this "Discovery" of Dr. Pierce's Strength and vigor vitality will follow. Write Dr. Pie President Invalids' Hotel in Buffalo, Y., for free medical advice or send 10c for trial pkg. tablets.

Curwensville's Own Column

Stanley Kujawa, who is employed in a drug store in Pittsburg, is home for a few days visit with his parents.

Roe McQuown, of Clearfield, has purchased the Joe Clark property near town, paying $1,100 for the same.

The ladies auxiliary of the American Legion by their drive succeeded in rounding up the sum of $400 to be added to the monument fund. The amount already in hand is not sufficient to pay off the debt which will be incurred, but the ladies are confident that the patriotic people of Curwensville are not going to see the movement stick for lack of the proper funds.

Dan Irvin went to Washington, D. C., Monday on a three-day business jaunt.

Paul Gardlock came in from Warren, O., Sunday on a short visit. Tuesday Mr. and Mrs. Chris Gardlock accompanied him back to Ohio, where they expect to spend several weeks with friends.

Hugh McKenrick and wife and Mr. and Mrs. Ralph Cathcart, all of Clearfield, spent Sunday at the home of Mr. and Mrs. Samuel McKenrick, South Side.

Some half dozen new dwelling houses are in course of erection along the road between Stronach and Grampian.

The approach to both ends of the state highway bridge which spans Anderson creek at Bridgeport is in a bad condition and cars are compelled to travel slowly until free from the sinks in the filling. It is also noticeable that large spots of concrete are peeling off the surface of the main highway.

Will Grier has torn away the old porch in front of his residence and is replacing with one of a more convenient pattern.

The hospitable home of Mr. and Mrs. Noah Heller, High street, was scene of an enjoyable event on occasion of their golden wedding anniversary on Monday afternoon and evening. At five o'clock p. m., Mr. and Mrs. Heller reaffirmed the marriage vows when their pastor, Dr. J. V. Adams, pastor of the Methodist Episcopal Church, recited the ritual of the church in such portions as are suitable to the confirmation of vows which they had made to each other 50 years before. The ceremony was witnessed by the following persons: Mrs. J. V. Adams, Miss Mary Margaret Adams, Mrs. John Fox, Miss Helen Fox, Miss Jean Nolder, Mr. and Mrs. William Young, Miss Aratum Young, Mrs. John Gerrill and daughters Jane and Gladys, all of Curwensville; Mrs. Blanche Young Stitt and Miss Virginia Milliner, of Philipsburg. Mrs. William Young of this place and William Heller, of Los Angeles, Cal., are living children of the union. The son, William, was not able to come east at this time and was not present. His substantial gifts of gold to his parents represented in a practical way his love for the "old folks at home." Mr. and Mrs. Heller were united in marriage at New Market, Virginia, by Rev. Socrates Henkel ofthe Lutheran church, May 12th, 1874. They moved to Curwensville September 26th, 1881, where Mr. Heller has been in the employ of the tanneries ever since. The men of his department at the Penna. H. & L. beam shop of which he is the foreman, sent him substantial remembrances during the day and called at his home in the evening. Mrs. Heller received many valuable and useful presents from members of her family and other relatives. Before dinner was served a local photographer made pictures of the couple and party, among which four generations were represented. The community extends congratulations and wish for Mr. and Mrs. Heller every possible joy in the declining years of their long life.

Yesterday morning George Whittaker inveigled us into a ride up the state road to a point near the Stronach bridge, where Mike Cassidy has broken ground for buildings at his new park. He has purchased nine acres of ground lying on both sides of the state highway and will turn the wilderness into a park. A dancing pavilion, a swimming pool, a restaurant and a gas station are a few of the things which will be found there. The ground is an ideal spot for a park, having thereon two fine mineral springs besides Kratzer run and several other streams coming from the mountain. It will be known as "Wildwood Park" and the opening date has been fixed for the middle of June. It is going to take a pile of work to get it fixed up and in running order but Mike is equal to the task.

Rev. Bertram Conley, pastor of the Presbyterian Church, will preach the memorial sermon in that edifice. Rev. Dr. Adams will deliver the address on Memorial Day.

William Edmiston became the daddy of a fine boy at his home at Grampian Monday evening, and now Grandpa Jimmie is stepping wide and high.

FAMILY REUNION MARKED SMITH BAIRD'S 94TH BIRTHDAY ANNIVERSARY

The venerable Smith Baird, who has been spending the winter with his daughters, Mrs. Carrie McGaughey and Mrs. Annie Dorr, at Clearfield, accompanied by these two ladies, came over Sunday and joined by Arthur Baird and wife, of Osceola Mills spent part of the day most delightfully at the pretty home of the son and brother, Lawshe Baird, on East Presqueisle street.

It was the occasion of the former's 94th birthday, and no one enjoyed this brief family reunion quite so much as the aged father, who still retains his faculties to a remarkable degree. May he be spared to round out more than 100 years.—Tuesday's Philipsburg Journal.

Beauty for Girls

Youth for women—Let me show you how

BY EDNA WALLACE HOPPER

For 40 years I have been a famous beauty. Now, at a grandmother's age, I am the most talked-about woman in America as an example of perenial youth.

The reason is this: My mother and I, many years ago, searched the world to find the best beauty helps in existence. They multiplied my beauty, and I became the rage. They have kept my beauty to a grand old age.

I am convinced that these helps can bring like results to millions. And I have decided to enable all to get them.

Easy, simple ways

I do about what you do. But the difference is that I employ the best helps science knows.

You use clay, perhaps. Any woman who omits it does herself injustice. But you use crude and muddy clays which I quit years ago. I use a modern clay, white, refined and dainty. A clay perfected by 20 years of scientific study.

Mine I call my White Youth Clay. It is fully ten times as efficient as ordinary clays. The new complexion that it brings amazes and delights. Many women in 30 minutes seem to drop ten years.

Clay brings rosy, clear complexions It takes out the causes of blackheads and blemishes. It firms the skin, combats all lines and wrinkles. The women who employ it stand out in every crowd.

But my White Youth Clay is a super-clay—the last word in facial clays. It brings multiplied results. The cost is 50 cents and $1.

The supreme creams

You use creams, no doubt. I spent a fortune to secure the best cold cream and vanishing cream in existence.

My Youth Cream contains products of both lemon and strawberry. Also all the best that science knows to foster and feed the skin texture.

I apply it after my clay. Also as a night cream. Also daytimes as a powder base. It is ever-present, to whiten, soften and preserve my skin. I have never known another cream which brought any like results. It costs 60c.

I clean my skin with my Facial Youth. That is a liquid cleanser I found long ago in France. Now leading beauty experts everywhere employ it.

It contains no animal, no vegetable fat. The skin cannot absorb it. But it enters the pores and cleans the skin to the depth. Nothing else in all the world can clean the skin as this does.

My Facial Youth sells for 75 cents, The identical formula, offered by great beauty experts, is everywhere sold at $3.

For beautiful hair

My hair is my great glory. It is thick and lustrous, and grows finer every year. Never have I known a falling hair, dandruff or gray hair.

This is due to my Hair Youth, which France perfected for me. I apply it with an eye dropper, directly to the scalp. It keeps the scalp clean and the hair roots stimulated. I have brought beautiful hair to countless friends by giving them this method It costs 50 cents and $1.

All druggists and toilet counters supply the beauty helps I use. Go try them. Each will bring you rich rewards. I am very glad to enable you to get them. Edna Wallace Hopper, 536 Lake Shore Drive, Chicago.

FOR SKIN TORTURES

Zemo, the Clean, Antisepti Liquid, just What You Need

Don't worry about Eczema or other skin troubles. You can have a clear healthy skin by using Zemo obtained at any drug store for 35c, or extra large bottle at $1.00.

Zemo generally removes Pimples, Blackheads, Blotches, Eczema and Ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid. It is easily applied and costs a mere trifle for each application. It is always dependable. Zemo [illegible] Zemo Ointment, 50c.
